Parents Make A Difference!

Vol. 19 No. 8 April 2018

A note from:
Mr. Wade
Elementary Principal

Starting Wednesday, April 4 AES students in grades 3, 4 and 5 will begin taking State Tests. All State Testing ends April 20.

We encourage parents to help their child to do the best they can. Parents are asked to visit with their children about the test. During days of testing, it is very important for students to get plenty of sleep, eat a good breakfast and arrive at school on time.

Our students doing their very best is crucial. Test results are published statewide and our school receives a "grade" mainly based upon these scores. We are compared to other schools in the surrounding area and throughout the state. Schools who do not meet the State's requirements are placed on a "Needs to Improve" list.

Individual test results can have an effect on student remediation and retention. If students are going to be able to pass all of these tests when the time comes, they must be prepared now. If you have any questions, please talk with your child's teacher, counselor, or myself. We would be happy to answer any questions.

We have an excellent school thanks to the parents who see the importance in these tests and work hard each day making academics their number one priority for their children.
