JIM HUTTO, Middle School Prin.

JACK REDDEN, Elementary Prin.

PATRICIA HALL, Fin. Secretary

FORWARD

The establishment of policies for the administration of its schools is the most important single function of the board of education. By the establishment of such policies in written form, the employees of the board may proceed with assurance that they are administering the school system in accordance with the wishes of the governing body.

Policies result from long experience in meeting school problems and are not the statements of any single board. All policies should be re-examined annually and amended as wisdom may require.
