

POLICY OF THE BOARD OF EDUCATION
COMMERCE PUBLIC SCHOOLS
AIDS PREVENTION EDUCATION FOR STUDENTS

The district will make the curriculum and materials that will be used to teach AIDS prevention education available for inspection by the parents and guardians of the students who will be involved with the curriculum and materials. Furthermore, the curriculum must be limited in time frame to deal only with factual medical information for AIDS prevention. The district, at least one (1) month prior to teaching AIDS prevention education in any classroom, shall conduct for the parents and guardians of the students involved during weekend or evening hours, at least one presentation concerning the curriculum and materials that will be used for such education. No student shall be required to participate in AIDS prevention education if a parent or guardian of the student objects in writing to such participation.

Acquired Immune Deficiency Syndrome (AIDS) prevention education will be taught a minimum of once from grade six (6) through grade twelve (12). The district will use the curriculum developed by the Oklahoma State Department of Education.

The general objective of the curricula for all levels includes being made aware of the (1) forms of the disease, (2) methods of transmission, and (3) prevention of Acquired Immune Deficiency Syndrome.

This policy approved in a regular meeting of the Board of Education held on November 2, 1987 by a vote of

President, Board of Education
