## POLICY OF THE BOARD OF EDUCATION

### TRANSFER POLICY

The transfer policy will allow the administration to not receive those who previously attended here and were persistent trouble makers.

Applications for transfers to the Commerce School was reviewed. The policy of accepting all who desire to attend school here will be continued. Students who cause problems and disruptions forfeit the privilege of attending Commerce the following years. However, emergency transfers may be arranged for under certain conditions. Each application will be considered on its own merits.
