

## SCHOOL VISITORS

The board of education believes that parent involvement is one of the ingredients of a successful school. Visitors are welcome at the school; however, they are required to stop by the office and sign-in. At Alexander Elementary School visitors are required to sign-in, obtain a pass, and sign-out.

Students are not allowed to bring other children as visitors to the school.

The superintendent or principal shall have the authority to order any person out of the school building and off school property when it appears that the presence of such person is a threat to the peaceful conduct of school business and school classes. Any person refusing to leave should be reported to an appropriate peace office in that he/she may be guilty of a misdemeanor, punishable by fine or imprisonment.
